Early Childhood Collaborative  
of Southington

# Developing Fine Motor Skills for Kindergarten

*A free educational presentation for childcare providers, teachers,  
parents/guardians and community members*

**Thursday, April 26, 2018 at 6:30 pm**

Featuring Sue Spatafore, Occupational Therapist  
for the Southington Public Schools.

Sponsored by the Early Childhood collaborative of Southington

---

PLACE: YMCA Early Learning Center, 30 High Street, Southington

TIME: Doors open at 6:00 pm -- Presentation from 6:30 -8:30 pm

REGISTER AT: [www.southingtonearlychildhood.org/events/](http://www.southingtonearlychildhood.org/events/)

QUESTIONS TO: [southingtonearlychildhood@gmail.com](mailto:southingtonearlychildhood@gmail.com)

Free childcare will be provided by the Southington YMCA if requested in advance.  
Certificates of attendance will be provided to childcare providers.

Attendees will learn:

- What fine motor skills are and how they develop in young children
- Why there has been a decline in manual dexterity in preschool students over the last decade
- Fun activities that can be done to support fine motor skill development in home and in the classroom
